26 (201 1) (Decree on Capital Expenditures for 2012), the Board of Directors requested a report on the progress of capital expenditures for 2012. In January 2013, at a meeting of the Board of Directors of OAO SUEK ( is at the disposal of Gazeta.Ru), it was decided to postpone to 2013, without additional justification for the approved cost estimate, the amount of investments by Novokuznetskoye OJSC, Prokopyevskugol OJSC and Severchflot OJSC in the amount of more than 80 billion rubles, including funds from the consolidated budget for 2013. Why was the issue of funding volumes postponed for a year? As Sergey Korolev, chairman of the board of directors of OAO Rapsadskaya Mine, told Gazeta.Ru, in 2013 the Distribution holding should return the money to OAO Kuzbassrazrezugol in the amount of 3.5 billion rubles. As a result, out of 26 billion rubles allocated for 2013-2014, only 36 billion rubles (Distribution or OJSC Distribution Company) will be returned to the treasury, the rest will be distributed among the other companies of the holding. The funds are already being redistributed, said Mr. Korolev. The development of the approved capital work schedule by the Distributed Company has been largely suspended. It was precisely on this basis that confusion arose with the requirement presented to the Order and Severglavflot to submit a report on the work done for 2012 to the arbitration court. The final clarification of the date of this document has not yet been reached, Gazeta.Ru told. We will insist that it be drawn up based on the number of days specified in the order, which does not correspond to our agreements. Disconnection of KOGUP "KRAISS" (Kuibyshev region) from electricity on January 11, 2013 on the basis of the decision of the managing director of the "Distribution Company" of the company Andrey Davydov by order, the date of repayment of the debt of KOGUP became March 30, 2013.
