this is an adornment of the action, and there is a way to say a kind word or do a good deed, which greatly increases their value and Person. But people do not know how to evaluate and support such manifestations ... " Author's title: Facets of relationships, 5th edition, 2011. Publisher: N.-J. "ALSTOM", 2011, ISBN: 978-966-09-5238-7 Publisher: M. Eksmo Price: 386.92 rubles. The book reveals the concept and role of conflict in the life of society and man, therefore it will be interesting and useful both for business representatives and economists and sociologists involved in the study of conflicts in society and man. The author, Director of International Research at the Friedrich Ebert Foundation "Conflicts in Society", Barbara Burgers considers conflict in terms of three main types, which, in turn, are divided into smaller types, the interconnectedness of which makes it possible to single out the meta-level of the conflict situation. In each of the considered areas of the conflict, the author shows the theoretical foundations of conflict management and offers his own way of resolving the conflict.
