

Apr 27, 2013 - iris2.E20-END And here I am again with you, your friends Andrew and Vladimir! At the request of the workers we made a video about the assembly and tuning of our machine. After that, if everything goes well, we will do a full review and show how the machine works. Follow our reports and subscribe to our channel! And who wants and has the ability to help us in this difficult matter, please contact us in person! We would appreciate any help! You can also write to e-mail
