Animus Artificial Intelligence was simply a copy of that of the player with the addition of more Animus Pivots. In the game, the player is given the ability to kill the enemy with just a pistol without any other weapon to supplement. References Category: Video game cheating and hacking by Carl Matzner I'm fickle. I'm like a chameleon, never quite happy with my surroundings, but happy to suit the occasion. In the morning I'm the fellow who always checks his foot for landmines before striding off to dash in the surf. In the afternoon I'm the grizzled, glum bear of Portland. I dress to fit my moods. I'm the stoical lawman, with a watch pinned to the sleeve of my shirt. I'm the frisky, big-hearted, rustic country yokel, prepared to make quick work of anyone or anything to avoid blowing it. I could be the perfect student, full of energy and ambition, kicking through everyone's doors,
