A fantasy action role-playing game, the game puts a new twist on the familiar RPG battle system. It is a game that allows you to directly control your character. It presents a wide range of characters that come from different fantasy races. Each character has their own unique attributes that can be developed through character customization. With a vast open world, you can freely roam the game world and explore the Lands Between to find new experiences. Characters are obtained from dungeons, which lead you to experience a variety of exciting story routes. ABOUT ARK TRUST Ark believes that online communities are a core part of ARK's vision.
